ABOUT THE TOURNAMENT

Join the Navy SEAL Foundation at Sanctuary Golf Course in Sedalia, Colorado for an exclusive, first class golf experience. This is the fifth annual Golf Classic at Sanctuary, supporting the Navy SEAL Foundation.

THE COURSE

Sanctuary Golf *Course*

Sedalia, CO · Jim Engh, 1997

A Jim Engh design on rugged terrain near Daniels Park, built by RE/MAX co-founder Dave Liniger as a venue dedicated almost entirely to charity events. Known for dramatic elevation drops, panoramic Front Range views, and a strict invitation-only access model that has helped raise substantial funds for nonprofits over the years.

THE CAUSE

Navy SEAL *Foundation*

A national 501(c)(3) nonprofit established in 2000 and headquartered in Virginia Beach. Provides critical support – including transition assistance, tragedy assistance, survivor support, educational scholarships, and family wellness programs – for the warriors, veterans, and families of Naval Special Warfare (Navy SEALs and SWCC operators).
