THE COURSE

Sanctuary Golf *Course*

Sedalia, CO · Jim Engh, 1997

A Jim Engh design on rugged terrain near Daniels Park, built by RE/MAX co-founder Dave Liniger as a venue dedicated almost entirely to charity events. Known for dramatic elevation drops, panoramic Front Range views, and a strict invitation-only access model that has helped raise substantial funds for nonprofits over the years.

THE CAUSE

Steadman Philippon Research *Institute*

A nonprofit research institute focused on advancing orthopedic medicine through cutting-edge clinical research, innovation, and education to improve patient outcomes.
