ABOUT THE TOURNAMENT

For 29 years, the Colonel's Challenge Charity Golf Tournament has raised funds to support the Colorado State Patrol Family through the Fallen Officer Fund, Hardship Fund, Scholarship Fund, and more.

THE COURSE

Ravenna Country *Club*

Littleton, CO · Jay Morrish, 2007

A private course terraced into the red-rock foothills southwest of Denver, often cited as one of the last designs of architect Jay Morrish. Known for dramatic elevation changes, forced carries across wooded ravines, and one of the highest slope ratings in Colorado. Private and family-owned, with a capped membership.

THE CAUSE

Colorado State Patrol Family (Fallen Officer Fund, Hardship Fund, *Scholarship Fund*)

Programs administered by the Colorado State Patrol Family Foundation supporting troopers and their families: the Fallen Officer Fund (line-of-duty death support), the Hardship Fund (assistance during emergencies), and the Scholarship Fund (educational support for trooper family members).
